### Beach Weddings & Event Space

Celebrate love starting with an ocean-facing ceremony while the sunset paints the water and finish with a twinkle-lit extravaganza under the stars. Borrowing its luxury colonial charm from Baan Chok, the 1,500-sqm alfresco courtyard garden was built for l'art de recevoir – or the art of entertaining – and can accommodate grand weddings ceremonies, fairytale receptions, musical performances, garden parties, corporate events and intimate affairs.

### Meetings & Function Venues

An ornate chandeliered ballroom dressed in a modern European elegance that's rounded out with a glam vibe. Glass doors that open to two terraces, glass-lid sunroofs and a garden atmosphere ensure plenty of natural light floods the whole room.

The chateaux-like Ballroom – called the Baba Space – can be divided into two smaller ballrooms: Space 1 and Space 2 and can transform into a professional function space, whether it be a business meeting, a grand conference or a private party. Opulent and awe-inspiring, throw the big bash of your dreams.

Located in Thew Talay World on a private stretch of beach between Cha-am and Hua Hin, Baba Beach Club Hua Hin and the Habita Seaview are just a two-hour drive from Bangkok's Suvarnabhumi Airport and 15 minutes away from Hua Hin's downtown. Hua Hin has been recognized as one of the most popular beach destinations, featuring white sandy beaches and breathtaking views of the Gulf of Thailand.
